

WITH REGARDS TO NAB PETITION 04-160 I REALLY WOULD LIKE ZM TO BE ABLE TO  
CONTINUE TO HAVE THE INSTANT TRAFFIC AND WEATHER I DRIVE TRACTOR TRAILER THROUGH  
THE NORTH EAST TO THE MID ATLANTIC AND IT SURE IS NICE NOT HAVING TO CONSTANTLY  
KEEP PLATING WITH THE AM/FM TO TRY TO FIND LOCAL STATIONS JUST LEAVE THE XM ON  
AND I CAN CONCENTRATE ON MY DRIVING AND TRAFFIC AROUND ME ALOT MORE THAN IF I  
HAD TO KEEP CHANGING STATIONS CONSTANTLY
